

WIN A FREE WEBSITE

Give Your Business A Professional Online Presence

WE WILL DESIGN AND DEVELOP A PROFESSIONAL BUSINESS WEBSITE.

Minda Empowerment Solutions is giving 5 registered small businesses in South Africa the opportunity to receive a professional business website FREE of charge! Is your business struggling to build a strong online presence? We want to help you get recognised online and reach more potential customers.

What You Get?

We will design and develop a professional business website at no cost. You will only pay **R450**, which covers:

- Domain registration
- Logo creation

Who Can Apply?

To qualify, your business must:

- Be based in South Africa
- Be a legally registered business
- Have an active social media profile
- Be a legitimate and legally operating business

How to Apply

Send your application to **applications@mindaes.co.za** and attach:

- Your company profile
- Proof of business registration
- A short motivation explaining why your business should receive a free website and how having a website could benefit your business

CLOSING DATE: 30 SEPTEMBER 2026
